March 23<sup>rd</sup>, 2020

## **Covid-19: State of Indiana Stay-At-Home Order**

Today Indiana Governor Eric J. Holcomb issued a statewide Stay-At-Home order for all non-essential businesses and workers which will take effect at 11:59 p.m. EST on Tuesday, March 24<sup>th</sup> and will remain in effect until 11:59 p.m. EST on Monday, April 6<sup>th</sup>. The federal government has identified a number of critical sectors deemed essential to infrastructure in which Hyndman plays a part in the supply chain. In an effort to minimize risk within Hyndman as well as to continue the support of those customers supporting critical infrastructure, Hyndman will be retracting our workforce to a minimal crew starting on Wednesday, March 25<sup>th</sup>.

During this time, we will continue to accept new orders, ship existing orders, and facilitate dialogue with our customer base during the regular working hours of 9:00 a.m. to 4:30 p.m. EST. Those employees with the capability to work from home will do so and we anticipate the speed to customer that is expected from us to be maintained to a large degree. We will not be accepting visitors during the Stay-At-Home order and have reinforced best practice hygiene and distance protocols.

Regarding the impact the Coronavirus disease (COVID-19) pandemic is having on our customer base, we ask for notification from all customers that will not be accepting shipments during this time. We understand each company is being impacted differently and will work to ensure orders are processed and shipped in a manner that minimizes impact to our customers.

We thank you for your business and continued partnership with Hyndman. If you have any questions, please contact us by phone at 260.483.6042 or by email at [sales@resistancewire.com](mailto:sales@resistancewire.com).

Sincerely,

Nathan Davidhizar  
Sales & Marketing Manager
