Current financial statements will be of great assistance to us in establishing an open account and issuing a higher credit limit to you. We assure you that no information will be disclosed or released. We at HYNDMAN recognize that privately owned companies often wish to maintain a higher level of confidentiality. If you decline to provide financial statements, we will still do what is within our power to make an informed credit decision.

If applicable, please include tax exemption No.
A copy of your tax exemption certificate should accompany this form. If approved, we agree to pay within HYNDMAN's terms, which are Net 30 days. We understand that Net 30 day terms are subject to credit approval by HYNDMAN.

*This signature provides us with authorization to contact your bank for credit information. The Equal Credit Opportunity Act, its amendments, and Regulation B cover this application. Business credit will not be denied because of age, marital status, sex, race, religion or national origin. Please feel free to send us your product literature and add our name to those who routinely get this information.

**So a Representative from Accounts Receivable may contact you with any questions.
